STRENGTHENING ECONOMIES IN WYOMING: A Forum for Coal-Reliant Communities

Is your county or region experiencing economic challenges due to the contraction of the coal industry? Are you seeking effective approaches to support economic diversification, workforce development and improved quality of life in your community?

Join the National Association of Counties (NACo) and the National Association of Development Organizations (NADO) Research Foundation in **Gillette, Wyo. June 21–22** for **Strengthening Economies in Wyoming**, a free forum designed for coal-reliant counties and regions from across Wyoming.

This convening will bring together stakeholders from the public and private sectors for an educational and interactive gathering to share best practices, lessons learned and new opportunities to support economic diversification. [Register now](#) for access to discussions designed to deepen and foster new partnerships that promote innovation and prosperity throughout Wyoming and the West.

Presentations will include updates on economic diversification planning from Wyoming community leaders, as well as keynote plenary presentations from national experts who are supporting job growth, equitable development and entrepreneurship across their home regions.

Stronger Counties. Stronger America.

The National Association of Counties (NACo) unites America's 3,069 county governments. Founded in 1935, NACo brings county officials together to advocate with a collective voice on national policy, exchange ideas and build new leadership skills, pursue transformational county solutions, enrich the public's understanding of county government and exercise exemplary leadership in public service.
