

Networking and Professional Development

For those looking for high-value networking and professional development opportunities, Energy Capital ED offers special events and programs to provide direct access to Campbell County's most influential business and legislative leaders, as well as opportunities for development through conferences, partnerships, and newsletters.

Members gain access to:

Member Profile Page – This space on Energy Capital ED's website provides a linkable platform on which members can display detailed information to connect their business with the community of Campbell County. Get noticed.

Programs and Events – Receive special invitations to signature events and programs, as well as unique sponsorship opportunities, putting your business at the forefront of economic development in the region.

Featured Property Listings and Business Lead Opportunities – Members' available properties, listings, and services are presented as the best principle options for business leads obtained through Energy Capital ED, putting your business first. Additionally, members who provide commercial and industrial property listings will be featured in the "Site Selector" section of our website.

Annual Reports – First right to Energy Capital ED's annual report.

Gillette and Campbell County Partnership Publications – Receive membership discounts when you promote your business with the best local publications including 82717 Life Magazine, Inside Gillette Magazine, and the County 17 Community News Stream.

Tools, Resources, & Business Development Conferences

Energy Capital ED members gain access to online tools, digital subscriptions, and other valuable resources. As a member, you'll receive detailed data and analysis on the local economy, the latest updates on Energy Capital ED's regional impact, economic development news such as company relocations, expansions, and more.

Your Investment. Our Energy.
Campbell County's Success.
